DuPage County Conference Room
233 S. Wacker Drive, Suite 800, Sears Tower
Chicago, Illinois

- 1.0 **Call to Order and Introductions** 1:00 p.m.
Tom Rickert, Chairman
- 2.0 **Approval of Meeting Notes from September 21, 2016**
Meeting notes are posted at <http://www.cmap.illinois.gov/bikeped/minutes.aspx>
SUGGESTED ACTION: *Approval of meeting notes*
- 3.0 **Local and Regional Planning**
- 3.1 **CMAP ON TO 2050 Outreach**
Jane Grover, CMAP Outreach Principal, will review the agency's public engagement for the development of the ON TO 2050 comprehensive regional plan, including themes related to multimodal transportation. She will walk Task Force members and attendees through an interactive presentation on plan outreach.
SUGGESTED ACTION: *Information and discussion*
- 3.2 **Non-Motorized Transportation Snapshot Report**
CMAP staff and project manager, Lindsay Bayley, will present on the Non-Motorized Transportation Snapshot Report. This report is being developed as one in a series of reports on regional trends and current conditions, and will help define further research needs for future plan phases. The report will compare conditions and practice in our region for bicycling and walking and highlight changes between 2010 and now. The topic of the report responds to regional interests as expressed in public forums and outreach activities related to ON TO 2050.
SUGGESTED ACTION: *Information and discussion*
- 3.3 **Will County Bikeway Plan**
Cori Crawford, of the Forest Preserve District of Will County, will present on the Will County Bikeway Plan, completed and adopted this year. The plan was prepared under the guidance of the FPDWC as the lead agency, with support from the Will County Division of Transportation. Ms. Crawford will cover the origin and development of the plan, its contents, and the anticipated role of the plan in the promotion of cycling and bikeways in Will County.
SUGGESTED ACTION: *Information and discussion*

4.0 Pedestrian and Bicycle Project Programming and Policy

4.1 Lincoln Hub (Lakeview Chamber of Commerce, City of Chicago)

Lee Crandell, Executive Director of the Lakeview Chamber of Commerce, will present on the "Lincoln Hub," an intersection and place-making project at the intersection of Lincoln, Wellington, and Southport Avenues in the City of Chicago aimed at providing safer, more comfortable, more inviting space for pedestrians to traverse and linger. The project combines traffic calming, pedestrian improvements, and public art to create a memorable focal point along an important commercial and entertainment corridor in the Lakeview neighborhood.

SUGGESTED ACTION: *Information and discussion*

4.2 CMAQ Project Evaluation – Bicycle Level of Stress Analysis

At the March 2016 Task Force meeting, CMAP staff presented on the agency's work developing the Bicycle Switching Model. Responding to Task Force input on the model and a suggestion to investigate a Bicycle Level of Stress approach as an alternative way to better understanding the potential for proposed CMAQ projects to bring about mode shift, staff CMAP staff undertook research and development of a Level of Stress metric to be used in place of the Bicycle Level of Service metric in the Bicycle Switching Model. CMAP staff (Aaron Brown) will present on this research and potential tool, and its application in CMAQ programming.

SUGGESTED ACTION: *Information and discussion*

5.0 Project Updates

Implementing agencies will be invited to provide a brief update regarding the status of programmed projects. Staff is requesting information on recently let projects, completed projects, and project delays which need attention by CMAP staff.

SUGGESTED ACTION: *Information, discussion, and referral to staff*

6.0 Public Comment, Announcements, and Other Business

This is an opportunity for comments from members of the audience. The amount of time available to speak will be at the chair's discretion.

SUGGESTED ACTION: *Information, Discussion*
